Preplacement Assessments require at least one visit to the home. A surcharge may be applied to cover travel time for the social worker. Actual mileage expenses are to be paid directly to the social worker at the rate of $.60 cents per mile and $50 per hour (round trip) for the social worker's travel time. All travel fees must be paid in full before the final Preplacement Assessment is released.

The undersigned agree that when payment is received, Nathanson Adoption Services will complete the appropriate assessment. The fee agreement is not based on the outcome of the report nor the adoption proceeding. Once the process has begun fees are not refundable. **All fees listed are in effect for 30 days.**

We the undersigned consent to the Release of Information concerning our Preplacement Assessment between the following entities: Nathanson Adoption Services, any state or federal government agency, our child-placing agency, and our attorney. We understand this consent can be rescinded at any time and shall remain valid until the completion of the adoption.

We will not alter, nor allow anyone else to alter, the final notarized copy of our home study report.

For families pursuing adoptions from Ukraine, or any other Eastern European country, an additional document surcharge of $200 will apply.

Please sign this agreement and return it, along with your check made payable to Nathanson Adoption Services.
