- Preplacement Assessments require at least one home visit. A travel surcharge may apply for the adoption specialist's travel time. Actual travel expenses must be paid directly to the adoption specialist at \$0.67 per mile and \$50 per hour, round trip. All travel fees must be paid in full before the final Preplacement Assessment is released.
- The undersigned agree that, once the application documents are accepted and payment is received, Nathanson Adoption Services will conduct the applicable assessment. This fee agreement is separate from the outcome of the report or adoption process, and the assessment may end early if the family does not comply with requirements or proves to be uncooperative. Fees are non-refundable once the application has been accepted.
- We, the undersigned, authorize Nathanson Adoption Services to share information about our Preplacement Assessment with any state or federal government agency, consulting agency, child-placing agency, and our attorney. We understand that we may revoke this consent at any time and that it remains effective until the adoption process is complete.
- We, the undersigned, agree not to alter the notarized home study report or permit anyone else to alter it.
- We, the undersigned, acknowledge that services will begin after the office receives all required initial documentation and payment and formally accepts the application. All fees are valid for 30 days from the date the signed and dated documents are received and accepted.

Kindly sign this agreement and return it along with your application, RIL forms, and payment.
